Topeka, KS 66614

To ensure the finest barbecue, Boss Hawg's slow-smokes over select native hardwoods and charcoal. We buy only the finest, freshest meats, and we make all of our own sides from scratch — including cooking the potatoes for our potato salad each day. These things may take a little more time and cost a little more, but we feel they are important.

We think you will appreciate the difference.

Warmest regards,

**ELIZABETH & FRIENDS**
